KEY PRINCIPLES

Innovations

We provide innovative iGaming solutions based on statistical and analytical data on player behaviour

Reliability

We adapt the technology to the clients' needs and local market requirements

Partnership

We build win-win relationships with our partners. Their business growth is the ultimate purpose for us.

BENEFITS

Single wallet. This functionality makes it convenient to use the product. With a single wallet, it is possible to process all bets on Sportsbook and Casino through a single player account.

Unique solutions for unique markets. If a partner works in a unique market, we integrate the APIs he needs in order to meet the market requirements, based on specific requests.

No additional settings are needed. Our powerful Back-Office offers a seamless experience, catering for even the most demanding markets.

OUR MISSION

What's the Goal?

To become the B2B supplier of choice in the gaming industry by offering better technology and top-notch services

What's the Strategy?

- ◆ To actively seek and identify strategic partners for launching quality brands across the world.
- ◆ To implement constant product improvements
- ◆ To avoid complacency at all cost

What's the Calculus?

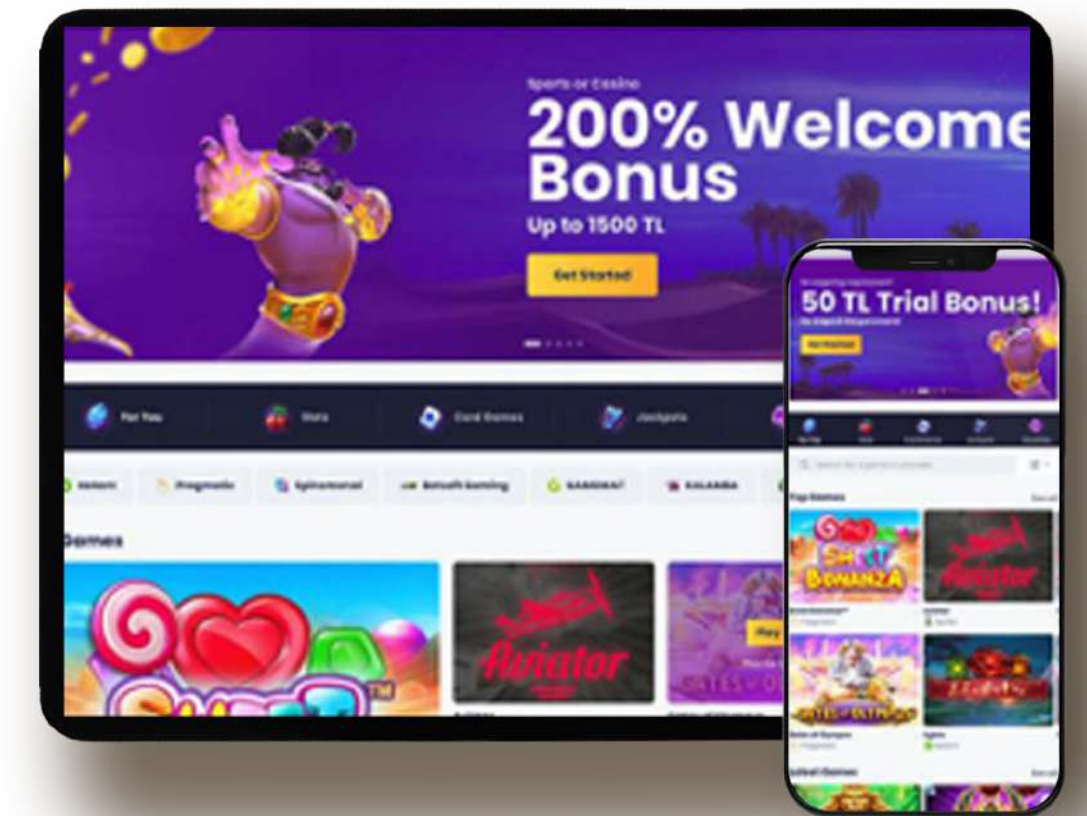

- ◆ Our people — lifelong learning and risk-taking
- ◆ Innovation — simple, original solutions that really work
- ◆ Ambition — winning big by solving small tasks best
