Key principles

Innovation

Empower your iGaming experience with cutting-edge solutions combined with statistical and analytical insights into player behaviour.

Reliability

We customise our technology to align seamlessly with our customers' needs and the demands of the local market.

Partnership

We cultivate lasting relationships with our partners, placing their business growth as our top priority.

Benefits

1

Single wallet

This functionality makes it convenient to use the product. With a single wallet, it is possible to process all bets on Sportsbook and Casino through a single player account.

2

Unique solutions for unique markets

If a partner works in a unique market, we integrate the APIs he needs in order to meet the market requirements, based on specific requests.

3

No additional settings are needed.

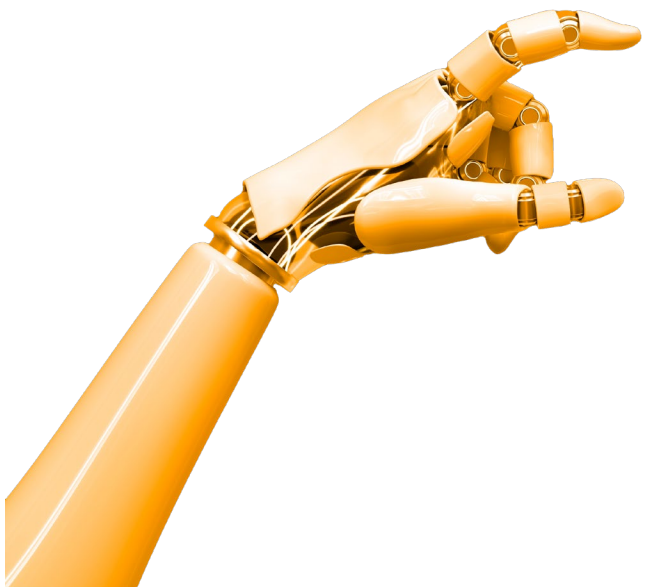

Our powerful Back-Office offers a seamless experience, catering for even the most demanding markets.

Our work

White Label

This particular project came as a fast-paced request and was ultimately delivered in less than 6 weeks. A process which included planning, design, development, content creation and deployment. With a clean easy to navigate outlook, it is already well-recognised among its audience, becoming a good investment both ways. Sounds good? You can have yours too!

Looking to launch a project of your own quickly and with minimal involvement? We have you covered — select your design, insert your identity and we'll do the rest in no time! The white label solution has been a cornerstone for many brands in need of a rapid market entry.
