Odds & risk management on a player level

Strong reporting and behavioural monitoring

Fully managed sportsbook features

GT SPORTSBOOK HIGHLIGHTS

GETTING STARTED WITH THEPLATFORM

State-of-the-art sports betting software for competitive bookmakers

With more tailored betting experiences, bigger results, and unprecedented action, we're offering partners the strongest betting and flexibility in choosing the API.

Highly-valued features include **in-play betting and statistics**, along with **risk management on a player level**.

FEATURES

Promo & Marketing Tools Powerful Backoffice Machine Learning

We collect tons of impersonal data and implement a range of machine learning techniques, which allows us to provide an automatic personalised approach to each player.

 Technology Stack Combining microservice architecture with 7 data centres across 5 continents, we offer the highest availability of resources for users all over the world.

 Customisable Design We provide a fully responsive design for any desktop, mobile, and tablet device. The whole sportsbook can be customised with a couple of clicks.

Extended Odds Feed

Covering more than 70,000 events per month across a huge number of sports. All odds are being automatically revised by our risk management system and hands-on traders to ensure competitiveness for each of our partners needs.

Promoting a personalised approach in marketing, we implement a range of tools for partners to increase engagement and user retention.

Offering deep analytics experience, we provide all-levels management with ultimate reports on sportsbook performance.

ODDS&RISK MANAGEMENT

We augment our expertise with complex tools which are always monitoring the market to protect our partners.

Every coupon is thoroughly revised and approved by a multistep risk management system.

All suspicious activity is identified using automated techniques used by an expert risk management team.

Every user has their own i our team.

Integrated with only **the best providers in the industry** in order to give partners maximum confidence in the platform.

Comprehensive monitoring tools provided to all partners to always have full visibility on their sportsbook.

Every user has their own individually tailored limits, monitored 24/7 by

• Interactive Promotional Offers: Engaging live promotional widgets with real data instead of static banners.

- audiences instead of manual user division.
- for all users.
- retention.

• Players Segmentation: Automatically segmented

• Churn Rate Management: Getting accurate predictions on when a user is to churn instead of losing clients.

• Personalization: Personalized offers instead of one banner

Customers Retention Boost: Free bets, ComboBoosts, cashouts, and a wide range of tools for effective user acquisition and

POWERFUL BACKOFFICE

It allows the partner to deal with fraud, follow the regulator's limits, and set up their own limits.
