# BONUS ENGINE

- Wager real money first, then bonus funds
- We have separate settings for casino and sports bonuses, the conditions could be the same but only one type could be chosen
- Freespins and freebets are available for the entire list of providers
- Offer Coded Bonuses to your players
- Tournaments can be customized
- Automated cashback bonus for both casino and sportsbook

# PAYMENTS GATEWAY

Our payments gateway combines **acquiring capabilities, numerous alternative payment methods and online-bankings** across multiple locations with a wide choice of currencies.

GT enables eCommerce clients to **accept payments from and issue payouts to customers** using our technological innovation within a single unified integration.

GT gives an **individual approach to each partner** offering a variety of custom-tailored products, features and technologies to simplify and secure the payment process for consumers on any devices.

- ◆ 15+ countries in operation
- ◆ 100+ supported currencies

**More than 200 PSP integrations** to ensure you can choose the right payment process for your business strategy.

# PWA APPLICATIONS

Smartphone users are a large and ever-growing audience. At the same time, application stores have limitations. Using Gamingtec, our partner **can produce** (adapt by wrapping) **an application, deliver it to a client and update the applications** without publishing it in the AppStore and PlayMarket.

# POWERFUL BACKOFFICE

Self-tuning of payment systems and transaction limits is always available to a partner through the backoffice. This allows the partner to deal with fraud, follow the regulator's limits and set up their own limits.

# RESPONSIVE DESIGN

Our websites have an adaptive design for both **mobile and desktop** versions.

# ADVANCED CRM SOFTWARE

- **Multi-channel and automation capabilities** beyond any other engagement platform.
- **Accuracy with real-time data** can reduce your bonus cost by 5-10%.
- **Increasing productivity** of operational teams by 60%.
- **Scale fast and without fear** of regulatory penalties.
- **Banish tech backlog**, outsource new service integrations.

# Why choose GT White Label?

- ♦ **FAST TURNOVER**

The time from signing to the live delivery of your brand is far quicker than industry standard, taking no more than 6-8 weeks.

- ♦ **MINIMAL INVOLVEMENT**

The process is simplified - you need only choose the template and the components. The rest will be taken care of.

- ♦ **CHOICE OF TEMPLATES AND LIBRARIES**

A big collection of templates and libraries to choose from, with an amazing front-end and clear structure, based on only the latest technology standards.
